Survey about the relationship between Bullying and Dropout

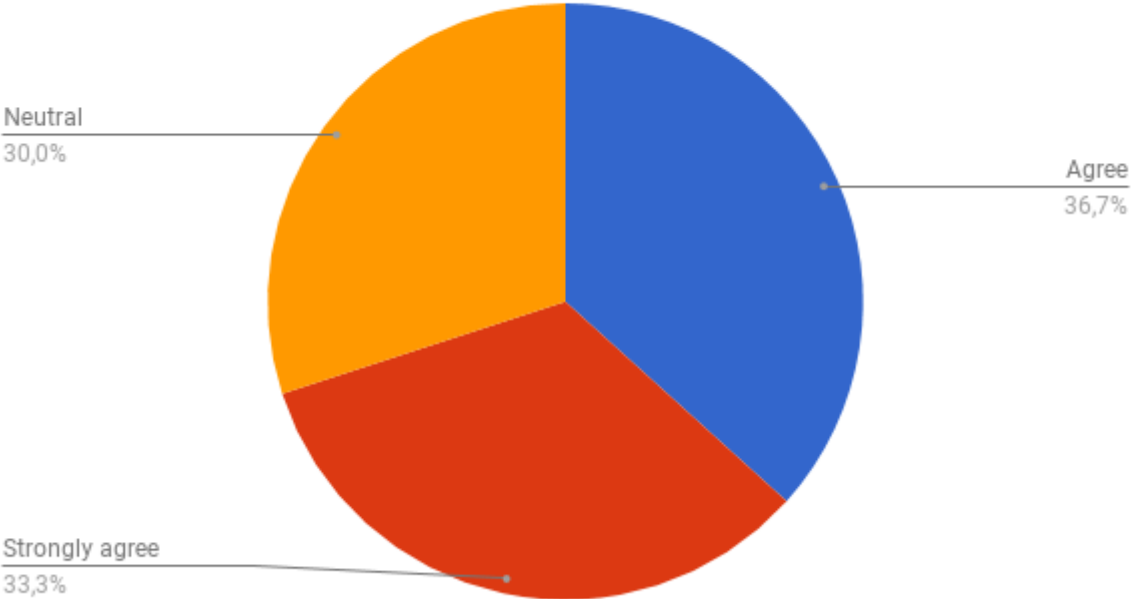

I believe dropout is related to bullying

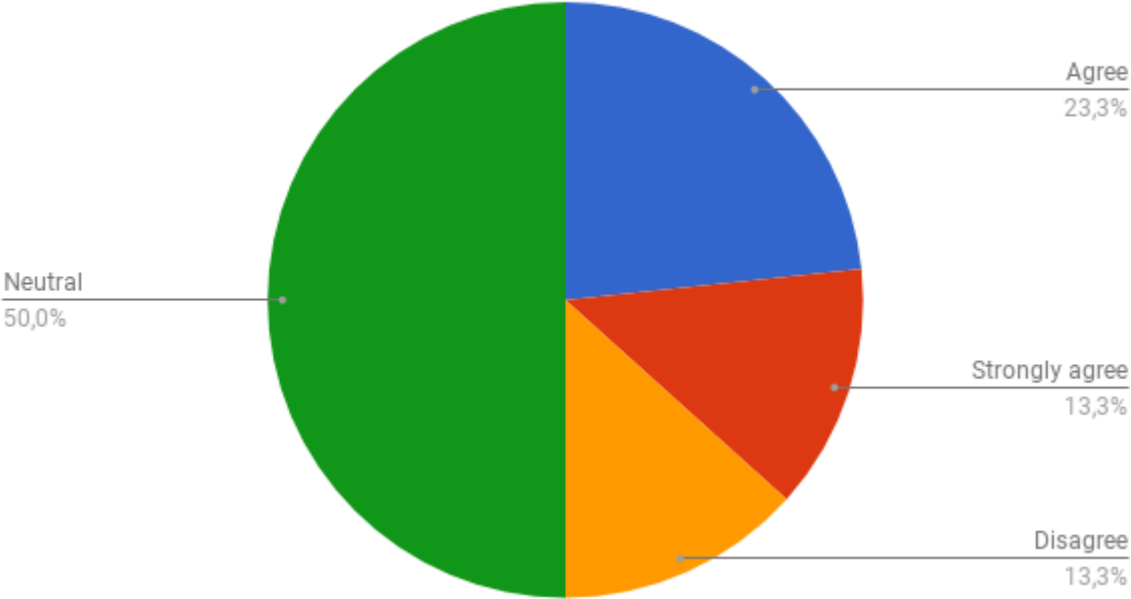

(Feelings / cases) of dropout in my school are a relevant problem

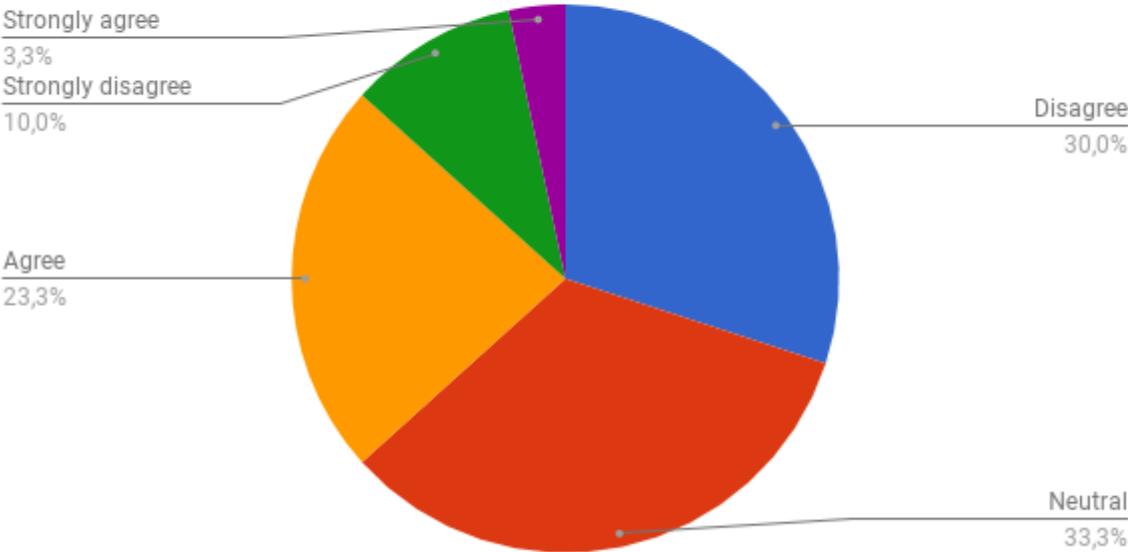

I feel that there is competition among students

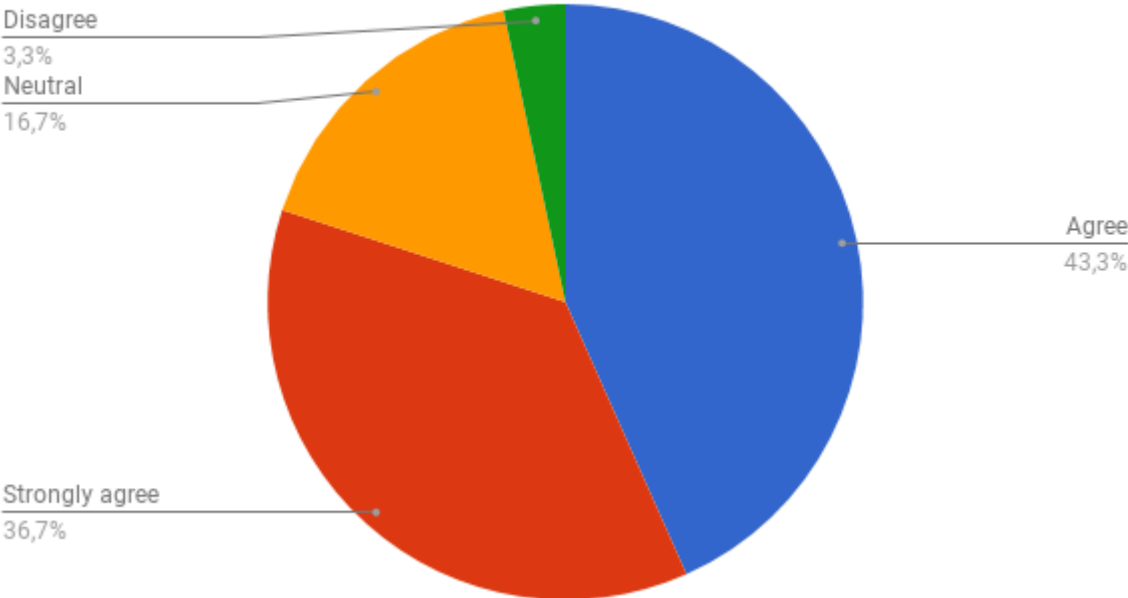

Students like educational programs

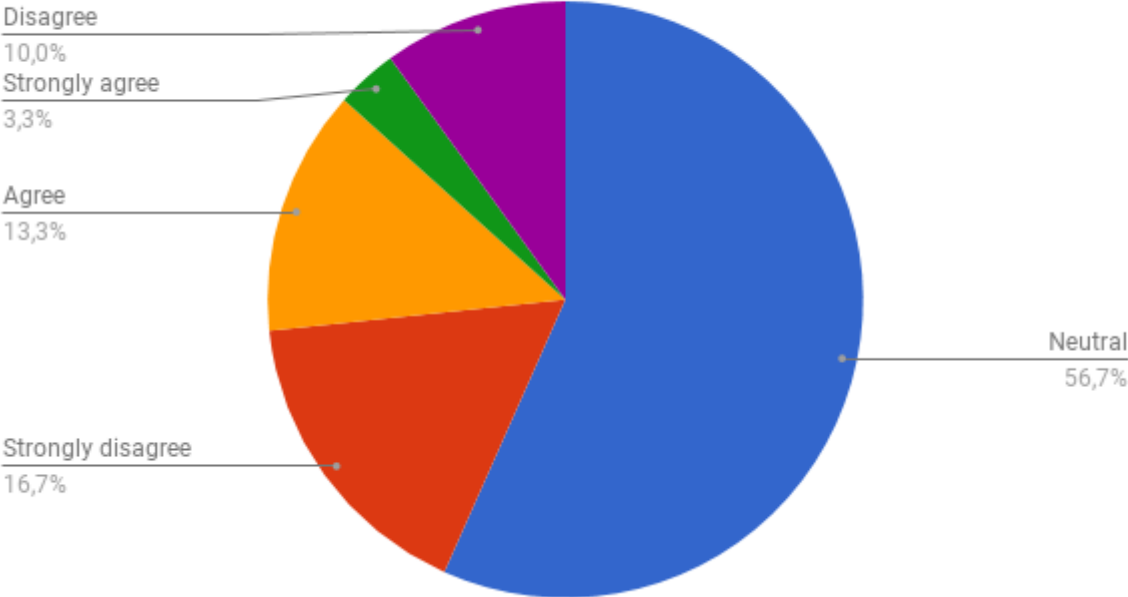

Educational programs are so demanding that students don't have free time for other activities.

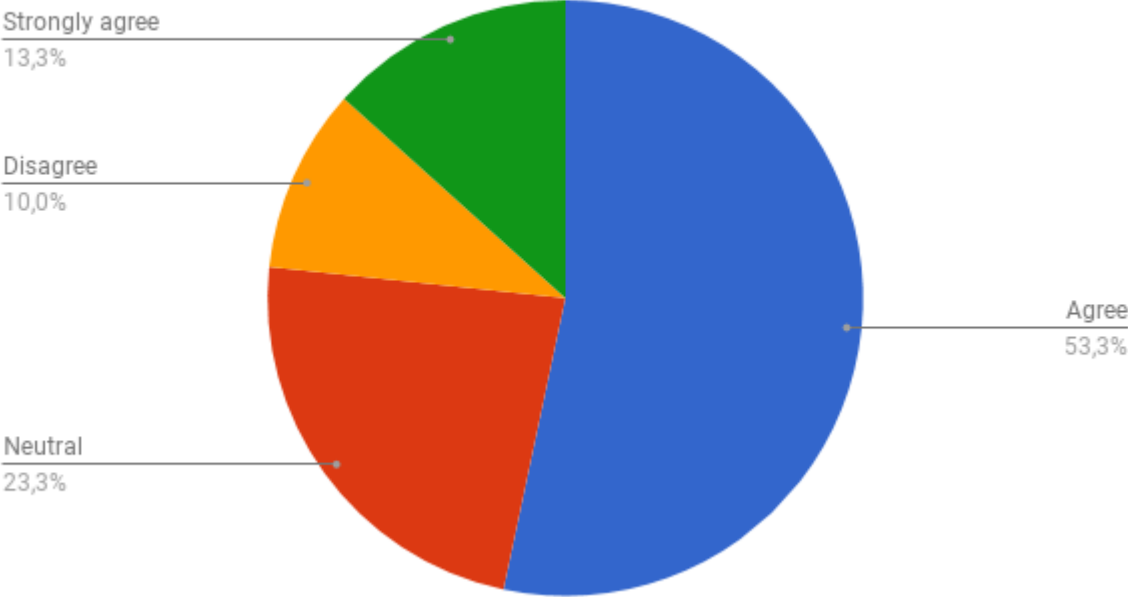

I think that final exams are difficult.

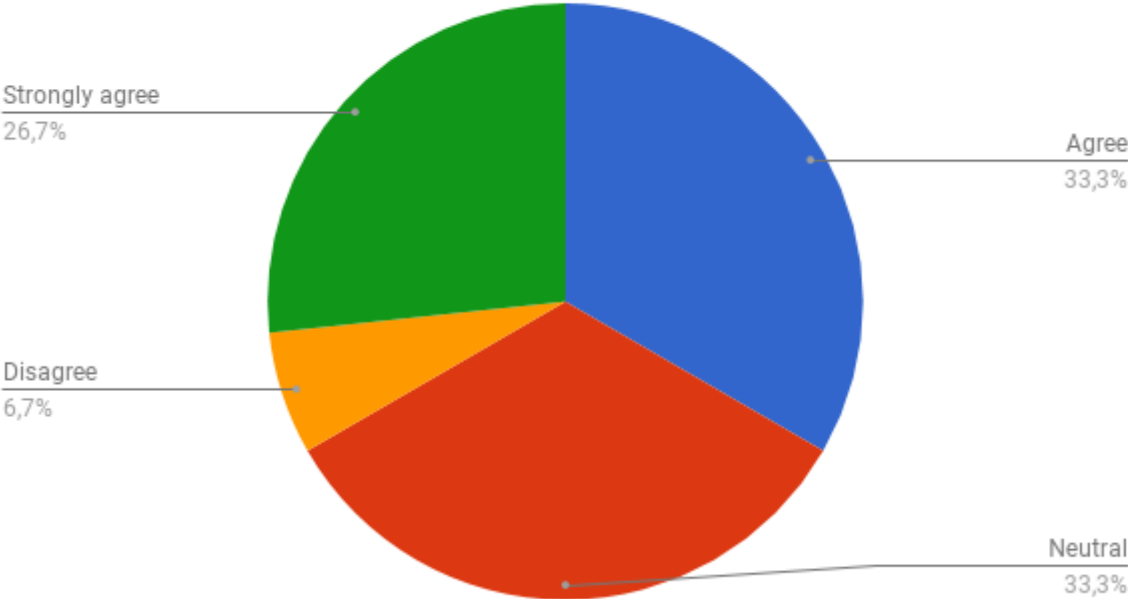

Accessing the school is difficult (transport)

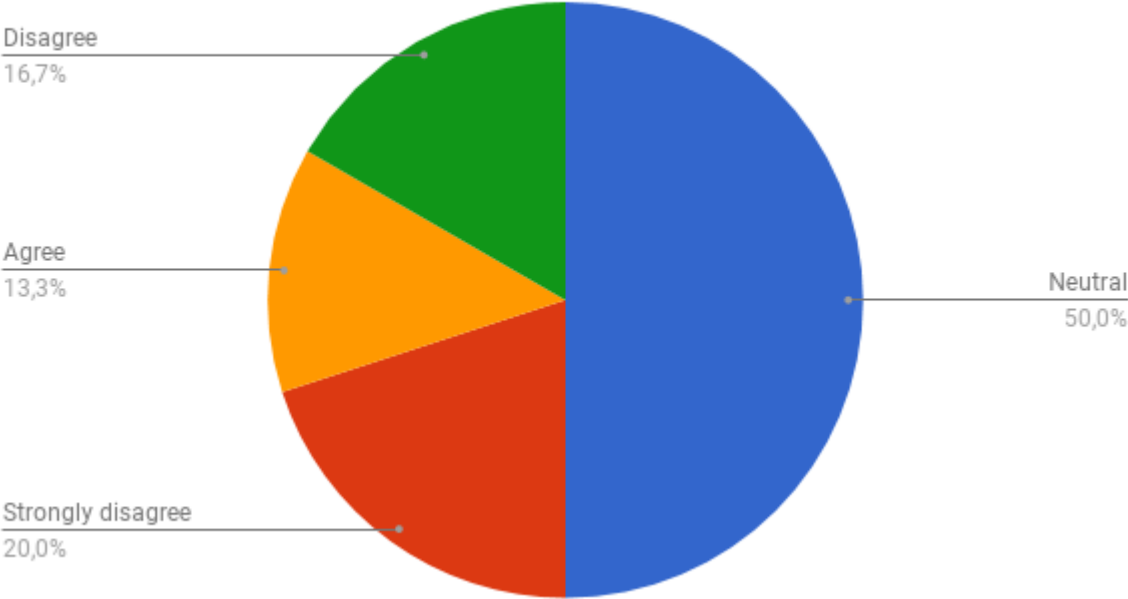

Teachers are likeable by students

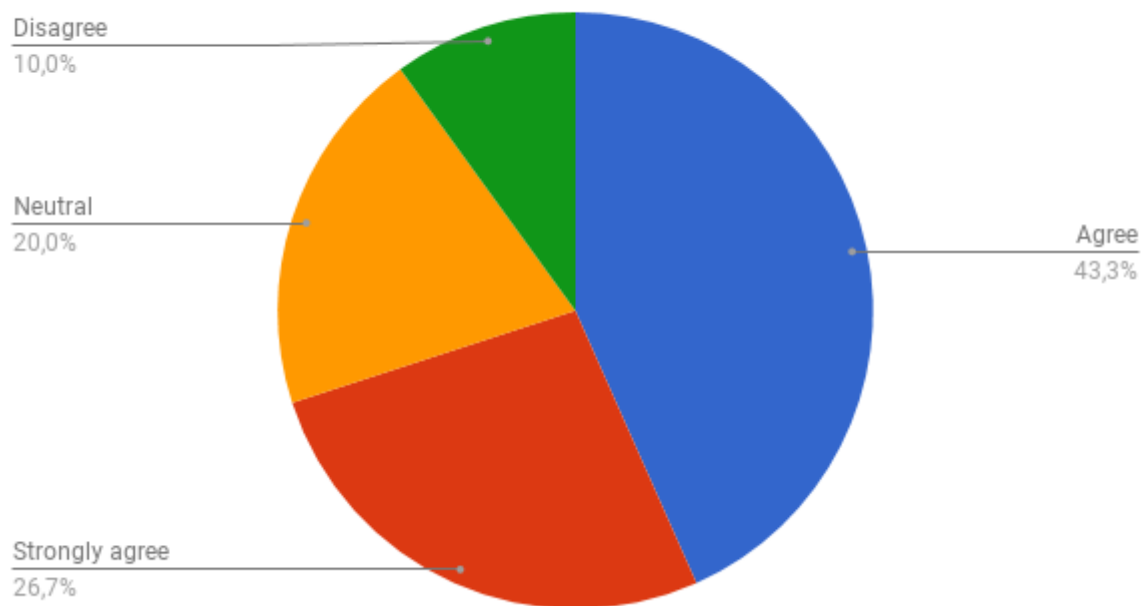

There is a fair application of the school rules.

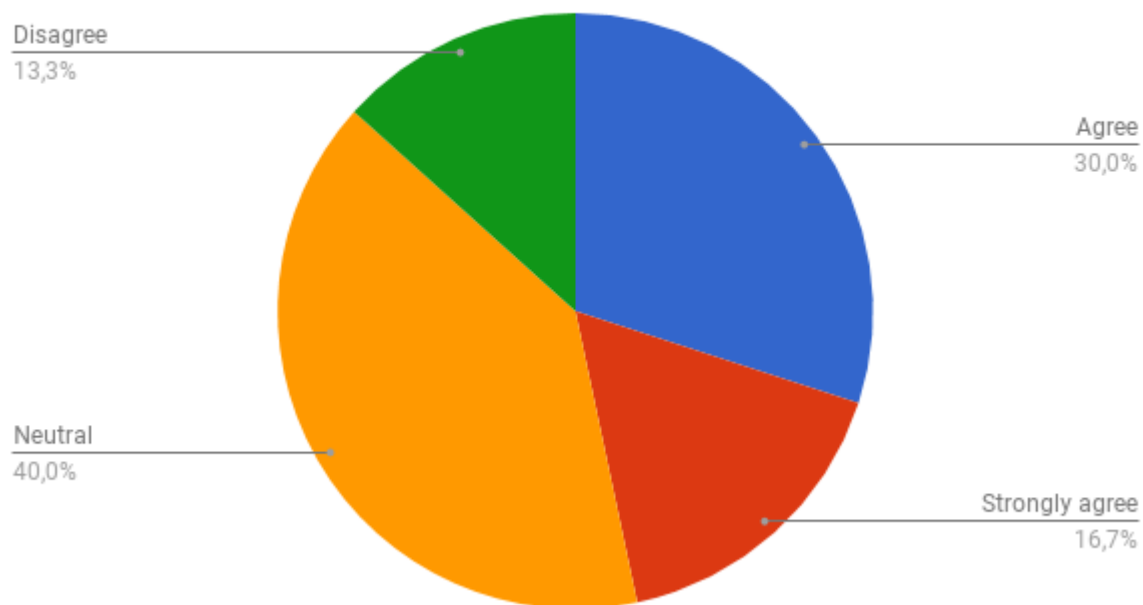

In my school there is violence and bullying.

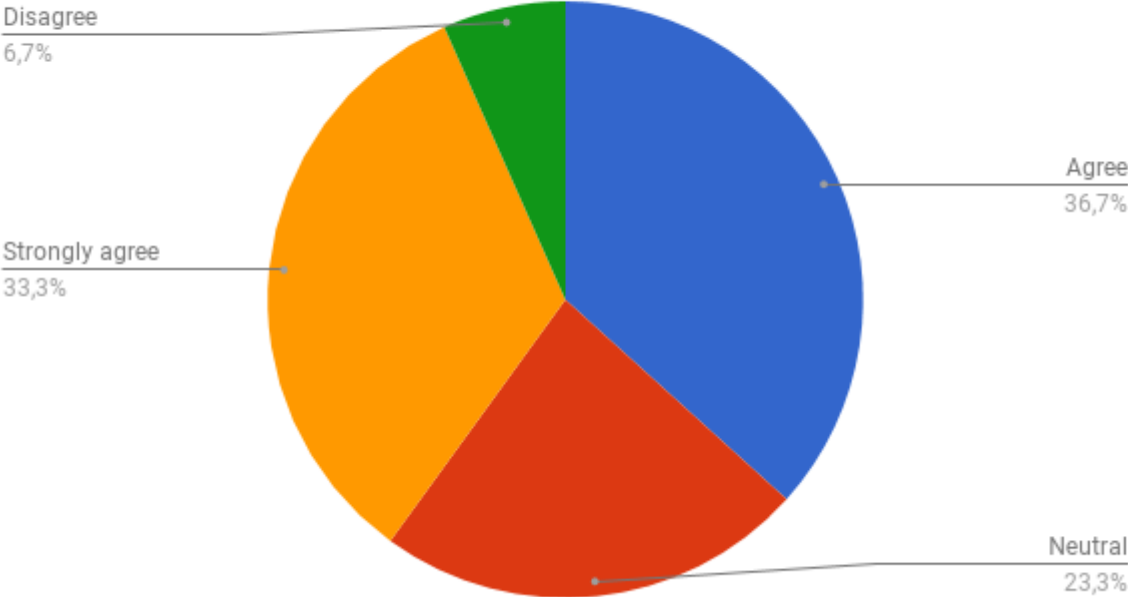

I found new friends or groups at school

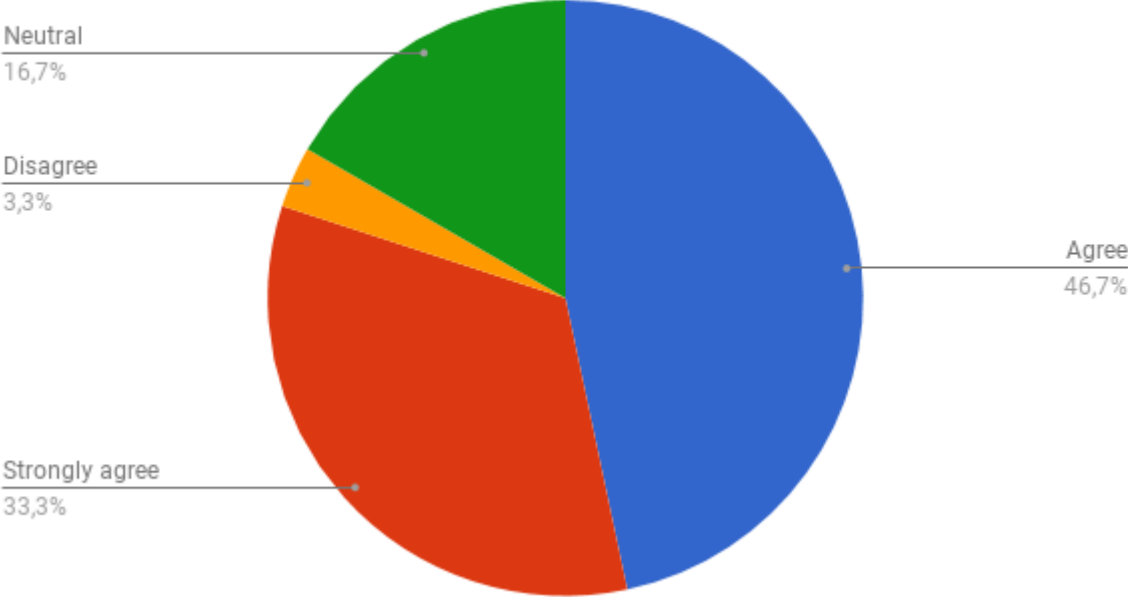

Students trust teachers

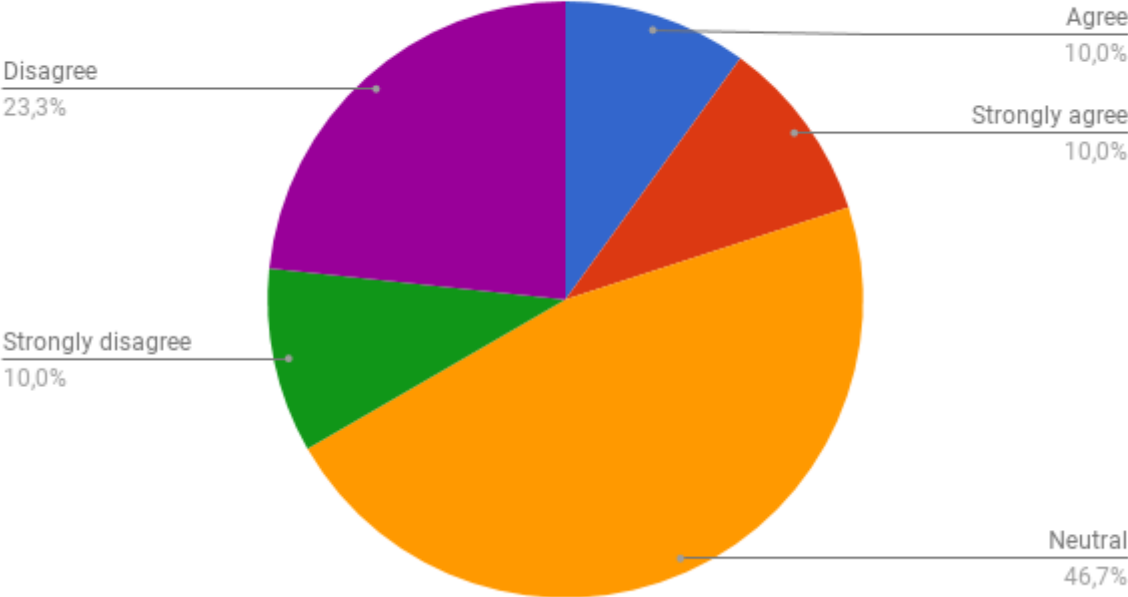

Parents care about their children's performance in my school

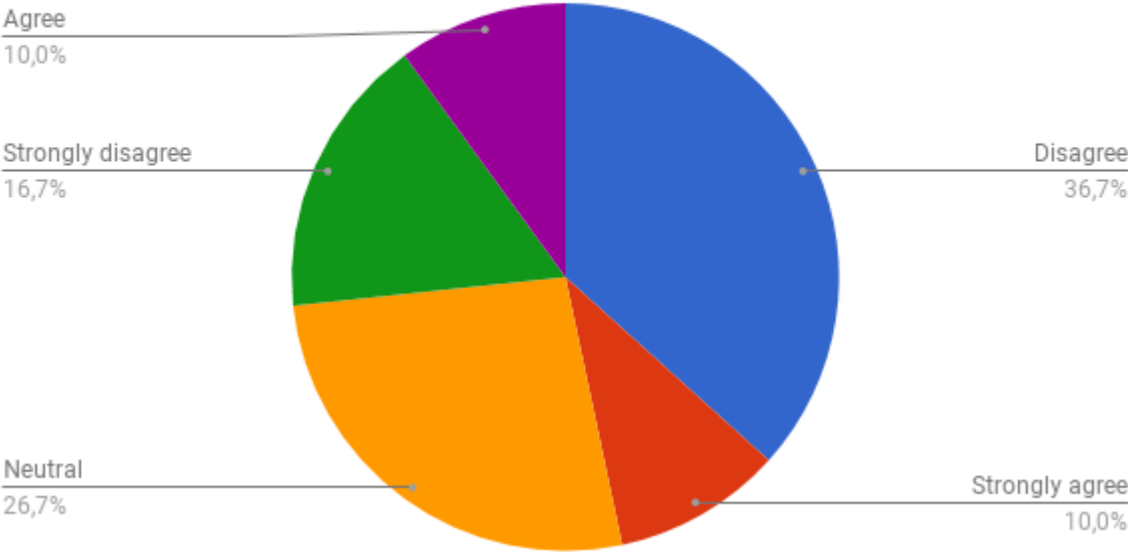

In my school there are students facing family problems

I think that there are prospects for my future after school

I believe that school and later on university will help me to find a job easily

My parents (or guardians) help me with homework
